Replica Jul 21 2021 A New York Times bestseller! Two girls, two stories, one epic novel. From Lauren Oliver, New York Times bestselling author of *Before I Fall* and the *Delirium* trilogy, comes an epic, masterful novel that explores issues of individuality, identity, and humanity. *Replica* is a “flip book” that contains two narratives in one, and it is the first in a duology. Turn the book one way and read Lyra’s story; turn the book over and upside down and read Gemma’s story. The stories can be read separately, one after the other, or in alternating chapters. The two distinct parts of this astonishing novel combine to produce an unforgettable journey. Even the innovative book jacket mirrors and extends the reading experience. Lyra’s story begins in the Haven Institute, a building tucked away on a private island off the coast of Florida that from a distance looks serene and even beautiful. But up close the locked doors, military guards, and biohazard suits tell a different story. In truth, Haven is a clandestine research facility where thousands of replicas, or human models, are born, raised, and observed. When a surprise attack is launched on Haven, two of its young experimental subjects—Lyra, or 24, and the boy known only as 72—manage to escape. Gemma has been in and out of hospitals for as long as she can remember. A lonely teen, her life is circumscribed by home, school, and her best friend, April. But after she is nearly abducted by a stranger claiming to know her, Gemma starts to investigate her family’s past and discovers her father’s mysterious connection to the secretive Haven research facility. Hungry for answers, she travels to Florida, only to stumble upon two replicas and a completely new set of questions. While the stories of Lyra and Gemma mirror each other, each contains breathtaking revelations critically important to the other story. *Replica* is an ambitious, thought-provoking masterwork.

Panic Oct 04 2022 From New York Times bestselling author Lauren Oliver comes a captivating, thrilling novel of fear, friendship, courage, and hope that will leave readers gasping for air. Now a television series on Prime Video, starring Olivia Welch, Mike Faist, Jessica Sula, Enrique Murciano, Camron Jones, and Ray Nicholson! E. Lockhart, author of *We Were Liars*, calls *Panic* "a thrill a minute." Kirkus says: "Will have readers up until the wee hours," School Library Journal raves: "Fast-paced and captivating." *Panic* began as so many things do in Carp, a poor town of twelve thousand people in the middle of nowhere: because it was summer, and there was nothing else to do. Heather never thought she would compete in panic, a legendary game played by graduating seniors. She'd never thought of herself as fearless, the kind of person who would fight to stand out. But when she finds something, and someone, to fight for, she will discover that she is braver than she ever thought. Dodge has never been afraid of panic. His secret will fuel him, and get him all the way through the game; he's sure of it. But what he doesn't know is that he's not the only one with a secret. Everyone has something to play for. For Heather and Dodge, the game will bring new alliances, unexpected revelations, and the possibility of first love for each of them—and the knowledge that sometimes the very things we fear are those we need the most. Read the book that inspired the series, which the New York Times described as "Reminiscent of 'The Hunger Games' but grounded in the real world."

His estranged family—bitter ex-wife Caroline, troubled teenager son Trenton, and unforgiving daughter Minna—have arrived for their inheritance. But the Walkers are not alone. Prim Alice and the cynical Sandra, long dead former residents bound to the house, linger within its claustrophobic walls. Jostling for space, memory, and supremacy, they observe the family, trading barbs and reminiscences about their past lives. Though their voices cannot be heard, Alice and Sandra speak through the house itself—in the hiss of the radiator, a creak in the stairs, the dimming of a light bulb. The living and dead are each haunted by painful truths that will soon surface with explosive force.
