Bessie Smith Oct 17 2021 A beautiful genre-bending tribute to the larger-than-life blues singer Bessie Smith. Scotland's National Poet blends poetry, prose, fiction, and nonfiction to create

an entirely unique biography of the Empress of the Blues. There has never been anyone else like Bessie Smith. Born in Chattanooga, Tennessee, in 1894 and orphaned by the age of nine, Bessie Smith sang on street corners before becoming a big name in traveling shows. In 1923, she made her first recording for the newly founded Columbia Records. It sold 780,000 copies and catapulted her to fame. Known for her unmatched vocal talent, her timeless and personal blues narratives, her

tough persona, and her ability to enrapture audiences with her raw voice, the Empress of the Blues remains a force and an enigma. In this remarkable book, Kay combines history and personal narrative, poetry and prose to create an enthralling account of an extraordinary life, and to capture the soul of the woman she first identified with as a young Black girl growing up in Glasgow. Powerful and moving, Bessie Smith is at once a vivid biography of a central figure in American music

Blind Owl Blues
Apr 23 2022 This is the long-awaited story of Alan Wilson, musical genius and co-founder of Canned Heat. Biographer Rebecca Davis journeys through his artistic innovations, tormented personal life, obsessive love of nature, and mysterious death. A key figure in the 1960s "blues revival", Wilson participated in the rediscovery of Son House, and wrote scholarly analyses of House and Robert Pete Williams. He went on to co-found pioneering blues-rock band Canned Heat, becoming an unlikely rock star. Known as "Blind

Owl", he was responsible for the hit songs "Going Up the Country" and "On the Road Again".

Jazz, and the energy of Rock and Roll, and added the slow heat of Afro-Cuban drums and the cilantro-scented sway of the music he'd grown up with in Mexico. There were a lot of bands in San Francisco but none of them sounded like this. Had Carlos finally found the music that would make his angels real?

House of Blues

Dec 07 2020

Celebrating its 20th anniversary, the House of Blues is an institution in music history. Since opening its doors in 1992 in a converted historical house in Cambridge, Massachusetts, it has been home to live music, original folk art, and delta-inspired cuisine. The concert and

restaurant chain grew out of a founding ideal to introduce the world to the music of the rural south, including the blues, rhythm and blues, gospel, jazz, and roots-based rock and roll. Today, House of Blues boasts thirteen unique venues across the country. Countless famous musicians have performed on those stages, from the Blues Brothers, Bootsy Collins, Al Green, and Eric Clapton, to Lenny Kravitz, 50 Cent, and Snoop Dogg. Concertgoers, music fans, and pop culture junkies alike will dig this illustrated account of the story behind the music. Chapters explore the venues, musicians,

performances, and food, providing readers with a backstage pass to everything House of Blues. Personal interviews with company founders and famous musicians tell the story, revealing behind-the-scenes details and outrageous party anecdotes. Vivid photography showcases iconic performers on stage as well as in private moments in dressing rooms. Tucked among the pages are concert memorabilia, including special reproductions of tickets, posters, and menus.

Which bluesman was once the sparring partner for the great Joe Louis? Which famous blues woman got her first job as a dancer for the great Ma Rainey? How much do we really know the blues? Welcome to the world of Blues People: Legends of the Blues...a brand new e-book of drawings, biographies and discographies of some of the greatest traditional blues players who ever lived, meticulously drawn and written by world-renowned blues musician and MacArthur 'genius' grant recipient Corey Harris. This book is the first of its kind: an illustrated, in depth biography of the greatest blues

players of the 20th century by a practicing African American blues musician. This monumental work includes in-depth biographies and discographies as well as his personal experiences with some of the most influential blues artists of our times. *Daddy Played the Blues* Sep 16 2021 *Notable Social Studies Trade Books Selection for Young People 2018* "I was six years old the day we left the farm in Mississippi," remembers Cassie in this richly textured picture book. "Between the boll weevils, the floods, and the landlord, there was no way a family could scratch out a living there

anymore." Packing themselves into an old jalopy—with Daddy, Uncle Vern, and Mama in the front seat and Cassie and her two brothers in the back—they joined the Great Migration from the impoverished Deep South to Chicago, where there was work to be had in the stockyards. Across the kids' laps lay Daddy's prized possession, a six-string guitar. Daddy worked hard to put food on the table, but what he really loved was playing the blues. This evocative tale of the African-American odyssey in search of a better life is also a homage to the uniquely American music that developed from

blues as a music trend and profiles ten rhythm-and-blues musicians who influenced the music industry over the last century, including Aretha Franklin, B. B. King, and James Brown.

Crossroads Sep 28 2022 The result of careful research, this stylish biography of infamous blues musician Robert Johnson reveals the real story behind the mythical talent that made him a musical legend. According to some, Robert Johnson learned guitar by trading his soul away to the Devil at a crossroads in rural Mississippi. When he died at age 27 of a mysterious poisoning, many

superstitious fans came to believe that the Devil had returned to take his due. This diligent study of Johnson's life debunks these myths, while emphasizing the effect that Johnson, said to be the greatest blues musician who ever lived, has had on modern musicians and fans of the blues.

[Blues Legacies and Black Feminism](#)

Dec 27 2019 From one of this country's most important intellectuals comes a brilliant analysis of the blues tradition that examines the careers of three crucial black women blues singers through a feminist lens. Angela Davis

provides the historical, social, and political contexts with which to reinterpret the performances and lyrics of Gertrude "Ma" Rainey, Bessie Smith, and Billie Holiday as powerful articulations of an alternative consciousness profoundly at odds with mainstream American culture. The works of Rainey, Smith, and Holiday have been largely misunderstood by critics. Overlooked, Davis shows, has been the way their candor and bravado laid the groundwork for an aesthetic that allowed for the celebration of social, moral, and sexual values outside the constraints imposed

songwriter whose music inspired generations of musicians, from Muddy Waters to the Rolling Stones and beyond. The myth of Robert Johnson's short life has often overshadowed his music. When he died in 1938 at the age of just twenty-seven, poisoned by the jealous husband of a woman he'd been flirting with at a dance, Johnson had recorded only twenty-nine songs. But those songs would endure as musical touchstones for generations of blues performers. With fresh insights and new information gleaned since its original publication, this brief biographical exploration

brilliantly examines both the myth and the music. Much in the manner of his masterful biographies of Elvis Presley, Sam Phillips, and Sam Cooke, Peter Guralnick here gives readers an insightful, thought-provoking, and deeply felt picture, removing much of the obscurity that once surrounded Johnson without forfeiting any of the mystery. "I finished the book," declared the New York Times Book Review, "feeling that, if only for a brief moment, Robert Johnson had stepped out of the mists." Little Blues Book Jan 08 2021 This little book transcends geographical, social, and

economic boundaries to search the heart and soul of the blues, looking for rules to live by, hope for the downtrodden, cautionary tales for the good times, and truths that "hurt so good". Sometimes, you just gotta be blue. But, as this book goes to show, that's okay--because you're never alone. *Brother Robert* Jan 20 2022 A Rolling Stone-Kirkus Best Music Book of 2020 "[Brother Robert] book does much to pull the blues master out of the fog of myth."—Rolling Stone An intimate memoir by blues legend Robert Johnson's stepsister, including new

details about his family, music, influences, tragic death, and musical afterlife Though Robert Johnson was only twenty-seven years young and relatively unknown at the time of his tragic death in 1938, his enduring recordings have solidified his status as a progenitor of the Delta blues style. And yet, while his music has retained the steadfast devotion of modern listeners, much remains unknown about the man who penned and played these timeless tunes. Few people alive today actually remember what Johnson was really like, and those who do have largely upheld their silence-until now. In *Brother Robert*,

nonagenarian Annye C. Anderson sheds new light on a real-life figure largely obscured by his own legend: her kind and incredibly talented stepbrother, Robert Johnson. This book chronicles Johnson's unconventional path to stardom, from the harrowing story behind his illegitimate birth, to his first strum of the guitar on Anderson's father's knee, to the genre-defining recordings that would one day secure his legacy. Along the way, readers are gifted not only with Anderson's personal anecdotes, but with colorful recollections passed down to Anderson by members of their

family-the people who knew Johnson best. Readers also learn about the contours of his working life in Memphis, never-before-disclosed details about his romantic history, and all of Johnson's favorite things, from foods and entertainers to brands of tobacco and pomade. Together, these stories don't just bring the mythologized Johnson back down to earth; they preserve both his memory and his integrity. For decades, Anderson and her family have ignored the tall tales of Johnson "selling his soul to the devil" and the speculative to fictionalized accounts of his life

that passed for biography. Brother Robert is here to set the record straight. Featuring a foreword by Elijah Wald and a Q&A with Anderson, Wald, Preston Lauterbach, and Peter Guralnick, this book paints a vivid portrait of an elusive figure who forever changed the musical landscape as we know it.

Book of Blues Nov 06 2020 Best known for his "Legend of Duluoz" novels, including *On the Road* and *The Dharma Bums*, Jack Kerouac is also an important poet. In these eight extended poems, Kerouac writes from the heart of experience in the music of language, employing the same instrumental blues

form that he used to fullest effect in *Mexico City Blues*, his largely unheralded classic of postmodern literature. Edited by Kerouac himself, *Book of Blues* is an exuberant foray into language and consciousness, rich with imagery, propelled by rhythm, and based in a reverent attentiveness to the moment. "In my system, the form of blues choruses is limited by the small page of the breastpocket notebook in which they are written, like the form of a set number of bars in a jazz blues chorus, and so sometimes the word-meaning can carry from one chorus into another, or not, just

like the phrase-meaning can carry harmonically from one chorus to the other, or not, in jazz, so that, in these blues as in jazz, the form is determined by time, and by the musicians spontaneous phrasing & harmonizing with the beat of time as it waves & waves on by in measured choruses." —Jack Kerouac

LIVING IN THE HOUSE OF

BLUES Mar 10 2021 A daughter of a Legendary Blues Recording Artist known as "Lonnie Brooks" Being a daughter of a Blues Legend, living in a house of blues filled with blues, does not mean I was born with a silver spoon. I share my true story of my childhood mischief,

growing pains, racial persecution, personal struggle, abuse and addiction, to eventual recovery and psychological healing through my strong faith.

Writing my book with the guidance of God, hearing his voice lead my long road to healing. I did not seek professional help, like so many of us. I rendered every fiber of my being into the trust of my heavenly father above, I listened, I followed his instructions and here it is! My story, my journey. In this world today, there are so many women just like me. I held on to secrets of abuse, I never spoke about my struggles with my father or my family

for many years until this book. I'm here to tell you now "Man, woman or child" help is near. I encourage you to write it, or seek professional help, I encourage you to let it go from your soul. My experiences writing for a promised healing, a soul cleansing, helped me open up and learn more about myself. I hope and pray my story can help the next person, I hope my story can help you! You will also find stories such as, how I witnessed my dad's struggles in the music industry to his excels, finally making it to a higher level in his career. I share, through it all how my dad raised us, his friendship. I

express the love my dad has for his music, his song writing, his guitar, his dignity, his dreams and his family.

Up Jumped the Devil

Jun 13 2021

Robert Johnson is the subject of the most famous myth about the blues: he allegedly sold his soul at the crossroads in exchange for his incredible talent, and this deal led to his death at age 27. But the actual story of his life remains unknown save for a few inaccurate anecdotes. *Up Jumped the Devil* is the result of over 50 years of research. Gayle Dean Wardlow has been interviewing people who knew Robert Johnson since the early

1960s, and he was the person who discovered Johnson's death certificate in 1967. Bruce Conforth began his study of Johnson's life and music in 1970 and made it his mission to fill in what was still unknown about him. In this definitive biography, the two authors relied on every interview, resource and document, most of it material no one has seen before. As a result, this book not only destroys every myth that ever surrounded Johnson, but also tells a human story of a real person. It is the first book about Johnson that documents his years in Memphis, details his trip to New York, uncovers

where and when his wife Virginia died and the impact this had on him, fully portrays the other women Johnson was involved with, and tells exactly how and why he died and who gave him the poison that killed him. *Up Jumped the Devil* will astonish blues fans who thought they knew something about Johnson.

for women and girls in the early 19th century. Fascinated with the plant life around her, Anna became a botanist. She recorded all her findings in detailed illustrations and engravings, until the invention of cyanotype photography in 1842. Anna used this new technology in order to catalogue plant specimens—a true marriage of science and art. In 1843, Anna published the book *Photographs of British Algae: Cyanotype Impressions* with handwritten text and cyanotype photographs. It is considered the first book of photographs ever published. Weaving together histories

of women, science, and art, *The Bluest of Blues* will inspire young readers to embark on their own journeys of discovery and creativity.

The Blues Dream of Billy Boy

Arnold Feb 09 2021 "Billy Boy Arnold, born in 1935, is one of the few native Chicagoans who both cultivated a career in the blues and stayed in Chicago. His perspective on Chicago's music, people, and places is rare and valuable. Arnold has worked with generations of musicians—from Tampa Red and Howlin' Wolf and to Muddy Waters and Paul Butterfield—on countless recordings,

witnessing the decline of country blues, the dawn of electric blues, the onset of blues-inspired rock, and more. Here, with writer Kim Field, he gets it all down on paper—including the story of how he named Bo Diddley "Bo Diddley"—**The Blues Man** Mar 22 2022 **King of the Blues** Dec 19 2021 The first full and authoritative biography of an American—indeed a world-wide—musical and cultural legend “No one worked harder than B.B. No one inspired more up-and-coming artists. No one did more to spread the gospel of the blues.”—President Barack Obama “He is without a doubt

the most important artist the blues has ever produced.”—Eric Clapton Riley “Blues Boy” King (1925-2015) was born into deep poverty in Jim Crow Mississippi. Wrenched away from his sharecropper father, B.B. lost his mother at age ten, leaving him more or less alone. Music became his emancipation from exhausting toil in the fields. Inspired by a local minister’s guitar and by the records of Blind Lemon Jefferson and T-Bone Walker, encouraged by his cousin, the established blues man Bukka White, B.B. taught his guitar to sing in the unique solo style that, along with his

relentless work ethic and humanity, became his trademark. In turn, generations of artists claimed him as inspiration, from Jimi Hendrix and Eric Clapton to Carlos Santana and the Edge. King of the Blues presents the vibrant life and times of a trailblazing giant. Witness to dark prejudice and lynching in his youth, B.B. performed incessantly (some 15,000 concerts in 90 countries over nearly 60 years)—in some real way his means of escaping his past. Several of his concerts, including his landmark gig at Chicago’s Cook County Jail, endure in legend to this day. His career

roller-coasted between adulation and relegation, but he always rose back up. At the same time, his story reveals the many ways record companies took advantage of artists, especially those of color. Daniel de Visé has interviewed almost every surviving member of B.B. King’s inner circle—family, band members, retainers, managers, and more—and their voices and memories enrich and enliven the life of this Mississippi blues titan, whom his contemporary Bobby “Blue” Bland simply called “the man.”

Americans in Texas were often neglected by the mainstream media, which historically seldom ventured into Houston's Fourth Ward, San Antonio's East Side, South Dallas, or the black neighborhoods in smaller cities. When Bill Minutaglio began writing for Texas newspapers in the 1970s, few large publications had more than a token number of African American journalists, and they barely acknowledged the things of lasting importance to the African American community. Though hardly the most likely reporter—as a white, Italian American transplant from

New York City—for the black Texas beat, Minutaglio was drawn to the African American heritage, seeking its soul in churches, on front porches, at juke joints, and anywhere else that people would allow him into their lives. His nationally award-winning writing offered many Americans their first deeper understanding of Texas's singular, complicated African American history. This eclectic collection gathers the best of Minutaglio's writing about the soul of black Texas. He profiles individuals both unknown and famous, including blues legends Lightnin' Hopkins, Amos Milburn, Robert Shaw, and

Dr. Hepcat. He looks at neglected, even intentionally hidden, communities. And he wades into the musical undercurrent that touches on African Americans' joys, longings, and frustrations, and the passing of generations. Minutaglio's stories offer an understanding of the sweeping evolution of music, race, and justice in Texas. Moved forward by the musical heartbeat of the blues and defined by the long shadow of racism, the stories measure how far Texas has come . . . or still has to go.

candid recollections of the early days of R&B, the racism she encountered on the road, and her chart-topping success despite seemingly impossible odds. 65 photos.

Incurable Blues

Aug 27 2022

Gennem interviews med Hubert Sumlin og hans nærmeste samarbejdspartnere beskrives den særlige Sumlin-bluesguitarstil, som gennem tiden har inspireret navne som Jimi Hendrix, Eric Clapton, Stevie Ray Vaughan m.fl.

The Johnny Adams Story, New Orleans Famous Blues Legend

Aug 15 2021 The Johnny Adams Story is about a man, his music and a lifelong struggle to become free. Free from a

corrupt music industry that often times denied legal counsel, worked hard to keep many black entertainers under their tight control and ultimately robbed them and their families of earnings and royalties that were rightfully theirs. Travel back with us now to a time when great artists like Johnny Adams were just getting started and learn the truth about what it meant to be black, uneducated and truly gifted during the 50's and 60's. a time when some of the greatest music ever heard was sung to a nation and some of our most gifted black artists struggled for just a small taste of equality. The

Johnny Adams story may shock you; it may even anger you; but one thing is certain. it will inspire and teach you that even when it seems the whole world is conspiring against you; that love is still the binder that holds the pages of life together.

Black Cat Bone

Jun 25 2022

"Robert Johnson was born in rural Mississippi and died young, leaving little behind except blues like no one sung the blues before him. A legend says that Robert sold his soul to the devil in return for becoming King of the Delta Blues."--From source other than the Library of Congress
