and procedure, certification workbook, today edition course 2019 [Community Paralegals and the Pursuit of Justice](#) Dec 02 2019 The United Nations estimates that four billion people worldwide live outside the protection of the law. These people can be driven from their land, intimidated by violence, and excluded from society. This book is about community paralegals - sometimes called barefoot lawyers - who demystify law and empower people to advocate for themselves. These paralegals date back to 1950s South Africa and are active today in many countries, but their role has largely been ignored by researchers. *Community Paralegals and the Pursuit of Justice* is the first book on the subject. Focusing on paralegal movements in six countries, Vivek Maru, Varun Gauri, and their coauthors have collected rich, vivid stories of paralegals helping people to take on injustice, from domestic violence to unlawful mining to denial of wages. From these stories emerges evidence of what works and how. The insights in the book will be of immense value in the global fight for universal justice. This title is also available as Open Access.

When You Reach Me Jul 09 2020 "Like A Wrinkle in Time (Miranda's favorite book), When You Reach Me far surpasses the usual whodunit or sci-fi adventure to become an incandescent exploration of 'life, death, and the beauty of it all.'" —The Washington Post This Newbery Medal winner that has been called "smart and mesmerizing," (The New York Times) and "superb" (The Wall Street Journal) will appeal to readers of all types, especially those who are looking for a thought-provoking mystery with a mind-blowing twist. Shortly after a fall-out with her best friend, sixth grader Miranda starts receiving mysterious notes, and she doesn't know what to do. The notes tell her that she must write a letter—a true story, and that she can't share her mission with anyone. It would be easy to ignore the strange messages, except that whoever is leaving them has an uncanny ability to predict the

future. If that is the case, then Miranda has a big problem—because the notes tell her that someone is going to die, and she might be too late to stop it. Winner of the Boston Globe-Horn Book Award for Fiction A New York Times Bestseller and Notable Book Five Starred Reviews A Junior Library Guild Selection "Absorbing." —People "Readers ... are likely to find themselves chewing over the details of this superb and intricate tale long afterward." —The Wall Street Journal "Lovely and almost impossibly clever." —The Philadelphia Inquirer "It's easy to imagine readers studying Miranda's story as many times as she's read L'Engle's, and spending hours pondering the provocative questions it raises." —Publishers Weekly, Starred review **Certified Paralegal Exam Fundamentals** Jul 21 2021

Paralegal's Journal Oct 31 2019 This Paralegal's Journal is designed with prompts that are broken out into three primary topic sections of a paralegal's life that include: tasks; information to obtain/people to contact; and documents to obtain. Jamie Whitmer, a virtual paralegal and creator of this Paralegal's Journal, has found that she is most effective at work if she applies a basic productivity principle of focusing first thing on three medium-to-large sized work projects per day, and thought that you might be the same! Your priority items for tomorrow are best determined at the end of your current working day. To the high achievers of the world, Jamie says: "Don't worry!" There is plenty of room left in the notes section if you have extra time to log more projects after you have completed your top three tasks. Prioritizing your day will save you time and energy, and can also help keep you motivated and focused throughout your work day. The blank lines in the front of the book are for your use as an indexing system that will aid in reflection and planning throughout the year. Think of the Paralegal's Journal as your personal system for achieving goals at work. The last few pages of the Paralegal's Journal come with marked pages that have already been indexed for you. Topics include: Major Projects - Goals Achieved; Continuing Education; Networking / Associations; Vendors; and Contacts. Jamie has often thought to herself: "I document, therefore I am." It is her hope that this Paralegal's Journal not only makes you feel better about your progress at work, but that it will also serve as a useful tool for you for performance evaluations. The software you use at work to manage tasks and deadlines cannot be relied upon to measure your contributions or value. What of your individual accomplishments? If you do not personally note them, it is the same as though they never existed. We must make records. We must prove what we have done, and what we can do.
