*Good Kids, Tough Choices Aug 10 2020 A practical analysis and inspiring guide for teaching kids "ethical fitness" Parents are beginning to realize that deficiencies in ethics and character are becoming a big problem among our nation's children. According to the latest data, lying, cheating, and rampant insensitivity to other people are increasingly common. What can parents do? In this book, ethics expert Rushworth Kidder shows how to customize interventions to a child's age and temperament. He encourages parents not to give up, since what they do can always make a difference, regardless of how long or deep the bad habits of dishonesty may be. Encourages parents to intervene early and re-establish children on the right course Explores the keys to ethical behavior: honesty, responsibility, respect, fairness, and compassion All of Kidder's practical advice is based on the latest psychological and neuroscientific research about how kids develop character and learn what's right and wrong.*

*Homeschool Essentials Sep 30 2019 ★★ Buy the Paperback version of this book and get the eBook version included for FREE ★★ There are plenty of reasons because of which parents make the decision to homeschool their kids. One of those reasons could be the rising cost of sending a kid to a public school which includes all sorts of expenses such as uniforms and countless books and supplies. More importantly, bullying has always been a problem in schools and any kid that sticks out just a little bit could be a target. One additional reason would be the level of education in public schools which, with every passing year, fails to teach children the right things they need to succeed in today's ever-changing world. They are too busy teaching kids about the atomic weight of Boron rather than helping them to find out what they want to do with lives. This*

book is about helping you to see if homeschooling is the right choice for you and how to go about it in case it is. In this book, you can expect to learn about: -Combining homeschooling and socialization -Homeschooling vs unschooling -Establishing your homeschooling curriculum -Organizing group homeschooling -And much more! Education is important and making sure that it is integrated into a child's life as soon as possible early in their life can give them a huge huge head start when it's their time to take their part in the real world. If you are ready to take the homeschooling route, then scrolling over to the BUY button and clicking it is the first step to doing so.

Special-Needs Kids Eat Right Apr 29 2022 Good news for parents of special- needs kids: a proven approach to everyday meals that fosters learning and development. Any parent of a child with autism, Asperger's, ADHD, sensory processing disorder, or other developmental disabilities knows that special-needs kids often have food sensitivities and can be very fussy eaters. Plus, they've been told to avoid such common ingredients as gluten and casein, making it even harder to give them the balanced, healthy meals all children need. Now, Judy Converse, a registered, licensed dietitian, offers new advice and guidance on how to use food as an essential tool for development. Based on the latest research, Special-Needs Kids Eat Right includes: ? Simple substitutions that can be easily customized to suit any child's needs ? Advice for helping the whole family?along with school staff and caregivers?adjust and take part ? Strategies and tips for staying on track at restaurants, holiday gatherings, school parties and lunches, and overcoming obstacles ? Shopping and resource guides ? A long-term program for measuring progress and making adjustments

Her Right Foot Jun 19 2021 If you had to name a statue, any statue, odds are good you'd mention the Statue of Liberty. Have you seen her? She's in New York. She's holding a torch. And she's taking one step forward. But why? In this fascinating, fun take on nonfiction, uniquely American in its frank tone and honest look at the literal foundation of our country, Dave Eggers and Shawn Harris investigate a seemingly small trait of America's most emblematic statue. What they find is about more than history, more than art. What they find in the Statue of Liberty's right foot is the powerful message of acceptance that is essential to an entire country's creation. Can you believe that?

Good Kids, Tough Choices Sep 03 2022 A practical analysis and inspiring guide for teaching kids "ethical fitness" Parents are beginning to realize that deficiencies in ethics and character are becoming a big problem among our nation's children. Key Education products are intended to engage and educate young and special learners, as well as assist teachers in building a strong and developmentally appropriate curriculum for these children. The product lineÑcomprised of teacher/parent resource books, photographic learning cards, and other activity- and game-oriented materialsÑis designed to assist in ÒUnlocking the Potential in Every Child.Ó

Just Because It's Not Wrong Doesn't Make It Right May 31 2022 "If we are to raise kids who can think and act ethically, we don't begin with the thinking or the acting. We begin with caring." —Barbara Coloroso In her now-classic kids are worth it! , Barbara Coloroso offered solid advice and practical parenting techniques that above all preserved the dignity of both parent and child. Coloroso's underlying parenting vision ascribes to parents the responsibility to teach the next generation how to think, not just what to think, so that they may grow into the best people they can be. Now, in this groundbreaking new book—a natural extension and a profound deepening of her original vision—Coloroso shows parents how to nurture their children's ethical lives, from preschool through adolescence. There can be no more necessary book for our times. We live in a world where children are so often given the message that the ends justify the means; where harmful, even violent behavior—in families, in communities, and around the world—goes unnoticed, unmitigated, and often unrepented; where children's ethical education can come from a T-shirt slogan or bumper sticker, an Internet site, or the evening news; where rigid moral absolutism or moral relativism has replaced true ethical thinking. In a world such as ours, Just Because It's Not Wrong Doesn't Make It Right is an essential tool. Beginning with the idea that it is in us to care that we are born with an innate capacity for compassion and caring, Coloroso shows parents how to nurture and guide children's ethical lives from toddlerhood through the teen years using everyday situations at home, at school, in social settings, and in the world at large. Rich in advice and anecdotes, Just Because It's Not Wrong Doesn't Make It Right offers no less than an ethical vision, one rooted in deep caring, by which we and succeeding generations may not only live, but thrive.

The Civil Rights Movement for Kids Dec 26 2021 Surprisingly, kids were some of the key instigators in the Civil Rights Movement, like Barbara Johns, who held a rally in her elementary school gym that eventually led to the Brown vs. Board of Education Supreme Court school desegregation decision, and six-year-old Ruby Bridges, who was the first black student to

desegregate elementary schools in New Orleans. In *The Civil Rights Movement for Kids*, children will discover how students and religious leaders worked together to demand the protection of civil rights for black Americans. They will relive the fear and uncertainty of Freedom Summer and learn how northern white college students helped bring national attention to atrocities committed in the name of segregation, and they'll be inspired by the speeches of Martin Luther King, Jr., Medgar Evers, and Malcolm X. Activities include: reenacting a lunch counter sit-in; organizing a workshop on nonviolence; holding a freedom film festival followed by a discussion; and organizing a choral group to sing the songs that motivated the foot soldiers in this war for rights.

*The Right Place for Albert* Oct 24 2021 Today is the day—Albert's very first trip to the People Kitchen! With help from his big sister, Wanda, Albert will hunt for all kinds of crumbs, treats, and goodies. But first he has to find a hiding place from the cat! (Math concept: One-to-One Correspondence)

*It's Not About the Broccoli* Jul 29 2019 You already know how to give your children healthy food, but the hard part is getting them to eat it. After years of research and working with parents, Dina Rose discovered a powerful truth: when parents focus solely on nutrition, their kids - surprisingly - eat poorly. But when families shift their emphasis to behaviors - the skills and habits kids are taught - they learn to eat right. Every child can learn to eat well, but only if you show them how to do it. Dr. Rose describes the three habits - proportion, variety, and moderation - all kids need to learn, and gives you clever, practical ways to teach these food skills. With *It's Not About The Broccoli* you can teach your children how to eat and give them the skills they need for a lifetime of health and vitality.

*Music and the Child* Apr 05 2020 Children are inherently musical. They respond to music and learn through music. Music expresses children's identity and heritage, teaches them to belong to a culture, and develops their cognitive well-being and inner self worth. As professional instructors, childcare workers, or students looking forward to a career working with children, we should continuously search for ways to tap into children's natural reservoir of enthusiasm for singing, moving and experimenting with instruments. But how, you might ask? What music is appropriate for the children I'm working with? How can music help inspire a well-rounded child? How do I reach and teach children musically? Most importantly perhaps, how can I incorporate music into a curriculum that marginalizes the arts? This book explores a holistic, artistic, and integrated approach to understanding the developmental connections between music and children. This book guides professionals to work through music, harnessing the processes that underlie music learning, and outlining developmentally appropriate methods to understand the role of music in children's lives through play, games, creativity, and movement. Additionally, the book explores ways of applying music-making to benefit the whole child, i.e., socially, emotionally, physically, cognitively, and linguistically.

*Happy Right Now* Aug 29 2019 An illustrated picture book that teaches the best way to be happy is to embrace the circumstances we find ourselves in each day *Happy Right Now* brings a much-needed message to kids: it's great to feel happy, but it's okay to feel sad sometimes too. Dealing with emotions can be hard. Children experience the same range of strong feelings as adults, but often don't have the tools to deal with them. For children ages 4 to 8, *Happy Right Now* teaches emotional intelligence with fun, relatable imagery and clever rhymes. Award-winning author Julie Berry brings a playful bounce to the important lesson that kids don't need to wait for fantastic gifts, school vacations, or sunny days to find joy in the moment. And even if they can't find a way to choose happiness—if the blues are just too strong—Berry provides a series of quick practices to help young readers move through their sadness. Smartly illustrated by Holly Hatam, *Happy Right Now* is perfect for children, parents, and caregivers who want to learn how to navigate difficult emotions and embrace the bright side of any situation, rain or shine.

*RIGHT ACUTE & OBTUSE ANGLES* - Nov 24 2021 Your child is done with shapes and identifying them in everyday objects. This time, you have to encourage your child to work with shapes. We are going to discuss right, acute and obtuse angles in the pages of this math book for kids. Go ahead and grab a copy of this book today!

*Pug Blasts Off* Jan 27 2022 Eko is in trouble! The dark wizard Maldred has trapped her with a powerful spell. To free her, Drake and Rori must find the Time Dragon. But a sneaky imp sends Drake traveling back in time! Will Drake be able to save Eko or will he be stuck in the past forever?

*Teach Your Child to Read in 100 Easy Lessons* Sep 10 2020 A #1 bestseller on Amazon for early childhood education with more than half a million copies in print, *Teach Your Child to Read in 100 Easy Lessons* will give your child the reading skills needed now for a better chance at tomorrow, while bringing you and your child closer together. Is your child halfway through first grade and still unable to read? Is your preschooler bored with coloring and ready for reading? Do you want to help your child read, but are afraid you'll do something wrong? *Teach Your Child to Read in 100 Easy Lessons* is a complete, step-by-step program that shows parents simply and clearly how to teach their children to read. Twenty minutes a day is all you need, and within 100 teaching days your child will be reading on a solid second-grade reading level. It's a sensible, easy-to-follow, and enjoyable way to help your child gain the essential skills of reading. Everything you need is here—no paste, no scissors, no flash cards, no complicated directions—just you and your child learning together. One hundred lessons, fully illustrated and color-coded for clarity, give your child the basic and more advanced skills needed to become a good reader.

*Right Now!* May 19 2021 A joyful, inspiring picture book that introduces readers to eleven young people from around the world who didn't wait until they were grown to speak up about things that matter to them and change the world for the better, from an award-winning author and New York Times best-selling illustrator. From climate activist Greta Thunberg to anti-bullying advocate Jaylen Arnold to peace activist Bana Alabed and more, these short profiles of young people and their causes will inspire readers to think about what matters most to them. An author's note, *Actions to Make a Difference*, and additional resources are also included, providing a roadmap for any kid who wants to make change and help others too.

*For Whom the Ball Rolls* Jul 21 2021 Howl with laughter with *Dog Man*, the #1 New York Times bestselling series from Dav Pilkey, the creator of *Captain Underpants!*

*Set Free to Choose Right* Nov 12 2020 Directed to parents and gatekeepers of today's youth, renowned speaker and author Josh McDowell focuses on the how-to's of teaching and empowering your teens and pre-teens to make right moral choices. You will discover: Why today's kids feel they have the right to determine what is "right" or "wrong" for themselves, how culture reinforces that there are no universal truths and, where this misconception historically originated, how to motivate kids to make right choices, what it is in God's character and nature that makes right, right and wrong, wrong, Engaging stories and clear illustrations will help you guide a person (of any age) to distinguish between right and wrong and make the

right choice-every time!

*Which Watch Is Right?*- A Telling Time Book for Kids Feb 02 2020 If your child has a difficulty in telling time, this book might help him understand it better. This book has attractive illustrations on watch and time making it easier and exciting for kids to learn. Your kids should never get bored learning how to tell time again. Get this Which Watch is Right Telling Time Book for Kids now!

*Raising Kids Who Turn Out Right* Aug 22 2021 Every parent hopes their kids will turn out right. They pray that when their children leave the nest, they will be ready to face the world. And they hope that their kids will be equipped to stand strong in life's battles. There are no shortcuts to successful parenting-no secret formulas to raising kids of strength and character. However, there are steps you can take to prepare your children for the challenges ahead. But you'll need an effective game plan. With warmth and conviction, Tim Kimmel outlines a strategy for positive parenting - a plan that gives you reachable goals, while allowing for your personal parenting style. You have only a few short years with your child...make the most of the time you have. Dr. Kimmel has two other parenting books that just came out, *Grace Based Parenting* and *Why Christian Kids Rebel*. Both of which are nominated for the Gold Medallion. *Raising Kids* would be the perfect addition to these books.

*Signing for Kids* Mar 05 2020 The bestselling Parents' Choice Award Winner-now expanded with a new section on computer and technology terms. Fully illustrated in a large format with clear, easy-to-read instructions, *Signing for Kids* features the clearest instructions and easiest-to-follow illustrations of any signing book available. And, *Signing for Kids* is as relevant to today's young readers as it is easy-to-use, with a new 16-page section of computer and technology terms. With helpful hints and tips for better signing and an extensive index for easy reference, *Signing for Kids* is the best book for beginners or for those who want to brush up their sign language skills. Includes topics such as: - Pets & Animals - Snacks & Food - Family, Friends & People - Numbers, Money & Quantity - Sports, Hobbies & Recreation - Time, Days, Seasons & Weather - Travel & Holidays - Clothes, Colors & Home - Computers and Technology

*The Right Way to Teach Chess to Kids* Nov 05 2022 This accessible how-to guide for parents and teachers on the best way to teach chess to children, from international chess expert Richard James, is linked to both his bestselling book, *Chess for Kids*, and his website chessKIDS academy. James, who taught grandmasters Luke McShane and Jonathan Rowson, shows how learning chess is interesting and fun. It can also help children develop life skills, such as decision-making and social skills, and be a springboard to other subjects in the school curriculum, such as maths, science, history and even languages. In an easy-to-follow, fun way, James explains how to structure short lessons with worksheets and other activities to introduce the chess pieces, chess notation and chess-board dynamics - so that children can understand the thinking behind the moves and start playing and enjoying this fascinating game.

*C Is for Country* Dec 02 2019 NEW YORK TIMES BESTSELLER • It's time to saddle up! Lil Nas X, the chart-topping music icon and internet sensation behind the hit single "Old Town Road," has crafted an empowering alphabet adventure that shows off his signature "S is for Swagger" and "X is for Extra" energy in a kid-friendly picture book that is one of a kind—just like him! A is for Adventure. Every day is a brand-new start! B is for Boots—whether they're big or small, short or tall. And C is for Country. Join superstar Lil Nas X and Panini the pony on a fabulous journey through the alphabet from sunup to sundown. Featuring bold, bright art from Theodore Taylor III, kids will experience wide-open pastures, farm animals, guitar music, cowboy hats, and all things country in this debut picture book that's perfect for music lovers learning their ABCs and for anyone who loves Nas's unique genre-blending style and his iconic red-carpet looks. (After all, "F is for feathers. And fringe. And fake fur.")

*Mr Wolf's Pancakes* Jun 07 2020 Asking his neighbours is no use - they're a mean and horrible lot who refuse to help. Poor Mr Wolf. He has to work it out, all by himself. So what happens when those nasty neighbours want to help Mr Wolf eat his delicious pancakes . . . ?

*Teaching Kids to Read For Dummies* Feb 25 2022 You're thinking of teaching a child to read. What a great idea! Now all you need is exactly the right blueprint. This easy-to-follow book is written with two people in mind; you, and the child you're thinking of teaching. Mother and children's reading specialist Tracey Wood gives you all the down-to-earth, honest information you need to give a child a happy, solid start with reading. *Teaching Kids to Read For Dummies* is for parents of young children who want to give their kids a head start by teaching them to read before they enter school or to supplement their children's school instruction, as well as teachers and caregivers of young children. Filled with hands-on activities that progress a child from sounds to words to sentences to books, this friendly guide shows you how to: Prepare a child to read Sharpen his listening skills Correct her errors graciously Choose the right books Have kids read out loud Find help if you need it Whether the child you want to teach is two or twelve; fast paced or steady; an absolute beginner or someone who's begun but could use a little help, this empathetic book shows you how to adapt the simple, fun activities to your child's individual needs. You'll see how to make activities age appropriate, how to add more challenge or support, and how to make gender allowances if that's relevant. Plus, you'll discover how to: Lay the foundation for good reading skills Tell the difference between a reading delay and a reading problem Help your child build words from letters and sounds, advance to short and long vowel words, and conquer syllables and silent letters Select entertaining workbooks, recycle them, and make up your own reading activities Get your child ready for sentences Keep your child reading — with others or on his own Complete with lists of word families, phonics rules, and reading resources, *Teaching Kids to Read For Dummies* will help you make learning fun for your child as he or she develops this critical skill!

*Chess for Kids* Jul 09 2020 A children's step-by-step visual guide to the rules, skills, and techniques of chess-by International Master and renowned chess tutor Michael Basman. From the history of chess and the aim of the game to essential tactics and taking it even farther in clubs, tournaments, and championships, *Chess for Kids* covers it all. Before explaining techniques, the ebook details each piece-pawns, bishops, the king, and more-to ensure kids have a comprehensive understanding before they begin to play. Chess board graphics illustrate different scenarios and support the text explanations so readers can visualize different moves and their potential outcomes as they go. Let *Chess for Kids* and International Master Michael Basman turn you into a champion chess player.

*What If Everybody Did That?* Jan 03 2020 A child learns that there are consequences for thoughtless behavior, from feeding popcorn to a bear at the zoo to dropping an empty can out of a car window.

*What's Right with This Picture?* Jan 15 2021 "Don't eat so much junk!" "Study harder!" "Stop fighting with your sister!" We want the best for our kids. In the pursuit of their greatest well-being, we often take a path of rooting out "what's wrong" and

fixing it. But what if living a good life goes beyond reducing the problems our children face? What if it is equally important to teach kids to seek out "what's right"? Turns out the research supports this notion. Helping our children identify, apply, and nurture their character strengths is a 21st century life skill which is associated with greater life satisfaction, engagement in school, academic success, and overall well-being. What we know is as important as it is to reduce the problems facing our children, it is equally as important to nurture what is right. In this, they have the tools to thrive and create positive connections to the larger world. "What's Right with This Picture?" is a workbook for teachers and parents to work with their kids to learn character strength vocabulary, identify character strengths in themselves and others around them, and find ways to apply strengths in their lives. This fully-illustrated workbook teaches these lessons through fun and relatable stories and activities.
